

INDEPENDENCE HOUSING AUTHORITY

providing affordable and safe housing

Section 8 / HCV Program Information and Rules

Section 8 / Housing Choice Voucher Program

 The Section 8/HCV program is designed to provide rental assistance to low income families from private landlords with homes that are affordable, decent, safe, and sanitary.

 HUD (US Department of Housing and Urban Development) provides the funding for this program and makes the rules and regulations that governs the Housing Authority.

 The Housing Authority uses these funds received by HUD to assist in rent payments.

How the Program Works

Section 8 is based on a 3-way partnership between the Landlord, the Tenant, and the Housing Authority.

All 3 parties must work together to provide the most decent, affordable, safe, sanitary housing available.

HOW THE PROGRAM WORKS..... PART 2

Applicants are approved based on the following:

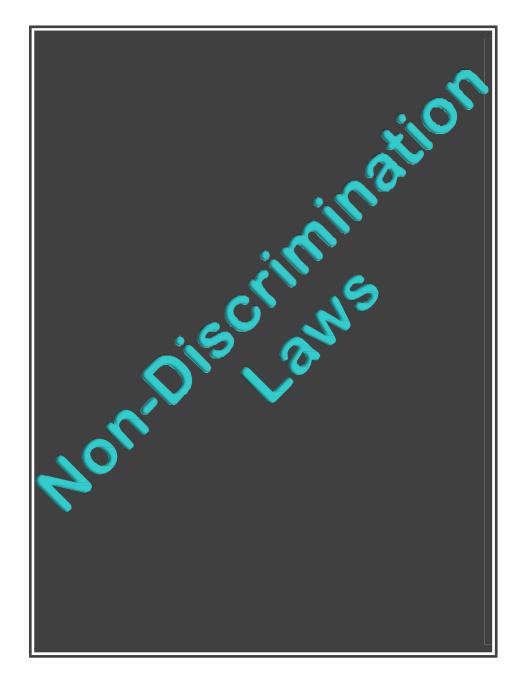

- Tenant screening
- Criminal background checks
- Sex offender checks
- Money owed to any Housing Authority
- Income limitations and guidelines

APPLICANTS AND TENANTS WITH A DISABILITY

We are committed to ensuring full access to participation. If you need an accommodation for a disability in order to have full access to our services, please let us know.

Families with disabilities may request a list of known handicap accessible units from the Housing Authority at any time during the voucher term dates.

Non-discrimination laws prohibit any PHA or landlord from treating you differently than other applicants and tenants based on the following:

- Age
- Religion
- Gender
- Disability
- Race
- Color
- Sexual orientation
- Religious beliefs
- Or because you have children

VAWA (Violence Against Women Act)

VAWA offers protection, regardless of gender, to anyone who has been a victim of domestic violence, dating violence, sexual assault, or stalking.

It prevents PHA's and landlords from considering actual or threatened domestic violence, dating violence, sexual assault, or stalking as a cause for terminating the tenancy, occupancy, or program assistance to the victim.

These protections do not extend to the perpetrator of the domestic violence, dating violence, sexual assault, or stalking.

WHEN CHOOSING A HOME

Look at the neighborhood:

- Is it safe for children?
- Is the area clean?
- What are the crime rates in that area?
- What school will your child go to?
- Are you within a close distance to grocery stores?
- Are you within a close distance to transportation lines?

The Landlord list provided in your packet is just a list of IHA known landlords. Make sure to check Craigslist, local newspaper, bulletin postings at the grocery store and drive around and look for rent signs.

Landlords

While viewing homes ask the landlord about:

- Maintenance policies
- Security deposit
 - Amounts and refunds at move out are between you and the Landlord. IHA cannot make the landlord refund your money!
- Pets
- What utilities are included?
- Do they provide a stove and a fridge?
- Ask for a copy of their lease and READ IT before you decide

Pick your landlord carefully. The lease you will sign is a <u>one-year</u> <u>legal document</u> and you will be unable to transfer to a new unit until the entire lease has been completed.

Obligations of the Family

- **▶** Provide all information IHA requests
- Find suitable housing and take care of the unit

- Comply with family obligations
- □ Comply with the Housing Authority's local policies and procedures
- ∇ Notify IHA of any income or family changes
- ↓ Allow inspection of the unit at anytime with notice from IHA

Obligations of the Landlord

- **☐** Screen families and determine suitability
- **☐** Comply with Fair Housing Laws
- **☐** Make repairs to the unit
- **□** Comply with the HAP contract
- □ Landlord cannot change the amount of rent or terms of the lease
 within the 1st year
- **☐** Collect rent
- **↓** Notify IHA of any tenant violations of the lease
- F Rent reasonableness: landlord cannot charge a different amount for a similar unit because the unit is on the Section 8 program

Voucher and Home Searching

- You may look for a home and lease up anywhere in Jackson County.
- If you would like to move elsewhere with your voucher, this is called Portability.
- Your Voucher...
 - Is an agreement between you and the Housing Authority that lists all your responsibilities as a tenant.
 - Is good for 120 days (No Extensions) except with a Reasonable Accommodation request, which would be approved/denied by the Deputy or Executive Director.
 - Once expired, you will have to reapply once the waiting list is in OPEN Status.
- You may choose a home that is a smaller or larger bedroom size than what your voucher states you are qualified for but...
 - * Your rent amount could be significantly be higher.
 - * There can be no more than 2 people (heartbeats) per bedroom.

Portability

Portability is the process through which your family can transfer or "port" your rental subsidy to a different location outside of the Independence Housing Authority jurisdiction.

New families that have been issued vouchers may be allowed to "port" once they receive their voucher ONLY if their original application with IHA showed a Jackson County address. If you applied at IHA from another county, you will be required to live in this jurisdiction for a year and complete a lease before you will be allowed to port.

Once I Find a Unit...

- O 30-day notice and a \$0.00 balance due to IHA if you are a current Public Housingtenant
- O Once you find a unit, the landlord must fill out and sign the forms in the RFTA (Request for Tenancy Agreement) Packet.
- O Once that is complete, bring the following forms to the IHA office to schedule the inspection and to confirm that you financially qualify for this unit:
 - O RFTA (Request for Tenancy Approval) Packet (Includes RFTA, Rent Reasonable, Contract and Lease Start Date) (Bring updated income verification with RFTA)
 - O Lead Based Paint Form
 - O Updated income information for everyone in the household, including bank statements, child support, etc.

THE UNIT WILL NOT BE INSPECTED UNTIL

ALL THE ABOVE ITEMS ARE RECEIVED

Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards

Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention.

All of the following conditions must be met in order for a Housing Assistance Payment (HAP) contract to begin:

- 1. The unit must pass a Housing Quality Standard (HQS) inspection; and
- The rent must be comparable to other unassisted units in the area of similar type and bedroom size; and
- The owner and family/tenant must sign the lease for the unit in the office and the HUD-required Lease Addendum <u>must be attached</u> to the lease. The contract will also be signed at this time; and
- 4. If the family/tenant is currently receiving Section 8 assistance, the new contract cannot start until the family/tenant has completely vacated the previous assisted unit and returned the keys to the previous landlord/owner. (If the family/tenant moves into the new unit before the date authorized by the Housing Authority, the family/tenant is responsible for the entire amount of rent until the date approved by the Housing Authority); and
- The unit must pass inspection and the family will need to be living in the unit
 effective when the lease starts. The lease will start on the 1st of month following a
 passed inspection.
- 6. The lease must include the following 1.) Initial term of the lease needs to be one year with a provision for terms after first year (ie: month to month or year to year). If a new lease is signed for the unit after the first year, the landlord must furnish the housing authority a copy and sign a new contract. 2.) A list of who is responsible for the utilities in the unit, and who will furnishes the appliances. 3.) Name of tenant and landlord with the address of the unit. 4.) Can I use my Section 8 for the home I currently live in? Yes, you may but...

The landlord must agree to accept Section 8 and if so he must be approved by the Housing Authority

The rent price on the unit must be within reasonable rent and you must qualify financially for the unit

The unit must pass the HQS (Housing Quality Standard) inspection

Once a RFTA is received

- IHA will make sure the home is within the Rent Reasonableness guidelines
- The unit will then be scheduled a HQS (Housing Quality Standard) inspection. YOU CANNOT MOVE INTO THE HOME UNTIL THE INSPECTION HAS PASSED! We also suggest not paying a deposit or signing a lease until the home has passed the inspection and your income has been approved.
- IHA will look at your income and background to make sure that you still qualify for the program and that the rent is affordable based on your current income.

HQS (HOUSING QUALITY STANDARDS INSPECTION)

What do we look for?

- Leaks
- Peeling Paint
- Trip hazards
- Door security
- Smoke alarms
- Fire hazards

- Housekeeping / pest control issues
- Maintenance of furnace, hot water heater, AC unit
- Electrical hazards
- Stove and refrigerator in good working condition
- Other Misc, items

Payment Standards

Payment Standards are amounts calculated each year based from 90-110% of the Fair Market Rent rates in Jackson County.

The Housing Authority uses Payment Standards to calculate our payment to the owner and what your portion of the rent and utilities will be for the home you selected: With Special HUD permission, Payment Standards are 120% of FMR until 12/31/2022.

- ▶ SRO \$686
- 0 Bedroom (Efficiency) \$914
- ▶ 1 Bedroom \$1,050
- 2 Bedroom \$1,236
- 3 Bedroom \$1,638
- 4 Bedroom \$1,883
- 5 Bedroom \$2,165
- 6 Bedroom \$2,448

If you choose a home where the rent is close to or higher than the Payment Standard, your share of the rent will be higher and you may not qualify for that home if your income is extremely low.

Utility Allowances

Utility Allowances are amounts calculated each year based on the type of unit and utility rates on average with the various utility districts across Jackson County. The Housing Authority uses third-party calculated allowances each year to figure Adjusted Gross Rent for each unit.

Make sure you choose a home where the contract rent plus the anticipated Utility Allowance does not exceed the Payment Standard for your voucher issued.

Rent Amounts

Your portion of the rent will be based on a percentage of your current income as well as any deductions you may have.

Income is (not all-inclusive):

- Employment
- Child Support
- Unemployment
- Social Security/SSI
- Misc./Gift Income
- TANF
- Pensions
- Income from Assets

Deductions

Some families may receive deductions from their annual income for the following reasons:

- Medical expenses (3% of annual income deduction for elderly and/or disabled HOH, Spouse or Co-Head)
- Elderly/or Disabled (one time \$400 deduction for elderly and/or disabled)
- Childcare Expenses (with children under age 13) for employment and schooling as long as it does not exceed annual income
- Dependent Children (one time \$480 deduction per child under 18) or for a disabled adult other than the Head, Spouse or Co-Head.

Examples of Annual Income Calculations

Mary received \$733.00 in Social Security each month.

\$733 x 12 months = \$8,796 gross annual income

Since she is disabled, she will get the \$400 deduction off this.

\$8,796 - \$400 = \$8,396

\$8,396 is the adjusted gross annual amount of income we will use to calculate what her rent amount will be

\$8,396 / 12 months x 30% = \$210 per month in rent

Utility Allowance may be subtracted off the \$210 if the tenant is required to pay any utilities to get to the Family Portion of Rent

Jane has 2 children, ages 3 & 8. Jane works 20 hours a week making \$10.00 per hour and she pays \$1,000 a year in childcare

20 hrs x \$10.00/hr = \$200.00 x 52 weeks = \$10,400 gross annual income

\$10,400 - \$1,000 (child care annually) = \$9,400

\$9,400 - \$480(child 1) - \$480 (child 2) = \$8,440 adjusted gross annual income

\$8,440 is the adjusted gross annual amount of income we will use to calculate what her rent amount will be.

\$8,440 / 12 months x 30% = \$211 per month in rent

Utility Allowances may be subtracted off the \$211 rent if the tenant is required to pay any utilities to get to the Family Portion of Rent

After Move In

Once you are moved into your new home you can expect to be sent a notification by mail in approximately 9 months for an Annual HQS Inspection of your home and an Annual Recertification of your income and household composition.

In order to continue to receive assistance these must both be completed in a timely manner and all necessary information required must be received. If you fail to perform your Annual Recertification in the timeline specified per your letter, your assistance may be terminated.

Income Changes

All income changes (increases or decreases) or household changes must be reported to the IHA office within 10 business days of the change.

Failure to report these changes may result in:

- ► Your family owing money to the Housing Authority
- Possible termination of assistance
- ► Federal fraud charges

Moving (Transfer) to a New Unit

You WILL NOT be allowed to break the lease and transfer/port to a new unit during the 1st Initial year of the lease or anytime a new full year lease has been signed.

If your lease is close to being completed, you must notify IHA if you would like to transfer and come to the office to sign the required paperwork.

A notice to the landlord must also be given (generally 30 days) but **READ YOUR LEASE**. All leases have different requirements.

Exiting the Program

You may choose to leave the program at any time.

IHA requests that written notice of the date of the move out from your unit or the date you wish to come off the program be received.

Failure to provide this could result in the denial of your application with our programs in the future.

Family Obligations

You Must NOT...

- Violate your lease
- Sublet your unit to another family
- Use of drugs (Federal Subsidized Assistance restrictions on drugs overrides the State of Missouri Medical Marijuana provision)
- Commit crimes
- Abuse alcohol
- Withhold information
- Have any unauthorized guest live with you

Termination/ Removal from the Program

Examples of violations and/or reasons you could possibly be terminated from the program are:

Once your income becomes high enough that your rent payment is being covered entirely by you, IHA will hold you on the program for 6 months (180 days). After this time if your income remains high, you will be removed from the program. You are still required during the 180 days to complete all requirements of the program.

Failure to report income

Making false statements or providing false information

Moving without notice

Any violations of the lease

Any violations of Family Obligations or Tenancy Addendum

The Housing Authority is required to terminate your assistance if any member of your household is or has been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing or if any member of your household is subject to a lifetime registration requirement under a state sex offender registration program.
